Financial Assistance Policy & Procedures

Any serviceman or woman who has been severely injured in combat during their service in the US Armed Forces may apply for assistance. The injured warrior's spouse, caseworker, legal guardian mother or father may apply for assistance on behalf of the injured warrior.

A request for assistance must be completed on the IWFF Assistance Request form, which can be downloaded from the fund's website at www.injuredwarriorsoffl.com After completing the required information, the form is to be mailed, faxed, scanned then emailed to the individual as indicated on the bottom of the form. Requests for assistance will NOT be considered unless submitted on the prescribed form.

Upon receipt of the completed and signed Assistance Request form, including any required supporting documents, the IWFF members will review, and make a final determination as to approval or denial, including the amount of the award. The applicant and/or interested parties will be advised as to their final decision. All decisions are final. The members of the fund will make every attempt to advise the applicant and /or interested parties within 30 days of receipt of the properly completed Assistance Request form.

The Fund's Purpose

The purpose of the Injured Warriors Fund of Florida, Inc. is to secure funds from the general public to assist those servicemen and women, who are residents of Florida and who have been severely injured in combat while serving in the United States Armed Forces. Immediate family members of the injured warrior i.e. spouse and dependent children may also be eligible for financial assistance.

Mission Statement

"The Injured Warriors Fund of Florida, Inc. is a non profit organization created to provide financial aid and assistance to all severely wounded service personnel and their families."

Support for the Wounded

In the short time since initiating the fund in January 2011, the Injured Warriors Fund of FL, Inc. has provided significant monetary and other assistance to several injured warriors. The fund still in its growth phase is continually serving new clients.

Why IWFF Is Needed

The Injured Warriors Fund of FL, Inc. is needed to provide critical financial assistance to those warriors, including spouses and dependent children, who meet the fund's criteria for assistance.

Financial assistance is provided on a one-time non-recurring basis in an amount determined by the members of the IWFF, Inc. in their sole discretion.

Financial assistance will be considered to help the wounded warriors and/or their spouses and/or dependent children to offset expenses of transportation, temporary housing, moderate home improvements and certain daily living expenses, when such daily living expenses are incurred on an emergency basis. Financial assistance will not be considered for any expense that is covered by any government or insurance program.
