

Bill

I wanted to take a few moments and thank you for helping me and my family out in this time of need. Its been very difficult for me at this time to help provide for my family due to my status with the VA as IU. My wife is trying to hold our family together and work as much overtime as she can just to make ends meet. It's very hard for me to sit here and watch and not be apart of the providing.

Again, I just wanted to say thank you for your help. The words "Thank you" are not enough to express my sincere appreciation for the help you've given me and my family. I hope to be able to one day return the favor.

Sincerely,
Brandon
